RECORD, EDIT AND SHARE FULL HD 1080p VIDEO!

Record, edit and share in stunning Full HD 1080p quality with Live! Cam Socialize HD 1080. Create HD video blogs and share them directly to YouTube and Facebook with a single click using the included software. Easily produce movies combining HD video, 12MP* photos and a music soundtrack. The auto focus, wide-angle glass lens captures all the action so that you can enjoy HD 720p online video chats in superb clarity. Built-in dual stereo microphones transmit crystal clear voice with using beam forming noise-cancellation technology. Live! Scan software makes scanning, extracting and managing your business contact details or documents a breeze.
