## FEATURES & BENEFITS >>

### *Pint-sized dynamo*

Power-packed with features such as **touch-sensitive buttons**, **2x digital zoom**, **manual exposure** adjustments, and **motion detection**, the Vado HD is a must-have for those capturing action on the go.

### *One click to instant gratification*

With the handy Vado HD, you won't have to worry about missing any important action again. Record impromptu moments instantly with the **one-click** recording button and at a quick switch, change to photo mode to capture picture-perfect stills!

### *High-definition quality*

Enjoy 2 hours of HD quality footage at a video resolution of up to **1280x720p**. Alternatively, you can snap up to **7,000** picture-perfect still photos of your favorite camera subject.

### *Multiple connectivity options*

The Vado HD is equipped with a **multi-function jack** that gives you the flexibility to do more with your pocket camcorder. Plug in a stereo microphone for enhanced audio recording - a handy feature in news reporting, concert filming and more. Connect your headphones for private listening to your footage, or output videos on non-HDMI displays via an analog AV cable.

## FEATURES & BENEFITS >>

### **Watch it on the big screen**

Connect your Vado HD to a HDTV via a **HDMI** cable to enjoy big screen viewing and your videos in 720p HD quality.

### **Wider scenes, more action**

Capture wider scenes and more action in your videos and photos with the **wide-angle lens**. You can also get a close-up of the action with the **2x digital zoom** feature.

### **Built-in flexible USB connector**

Charge your pocket video camera easily via the built-in USB connector. Or post your videos and pictures onto YouTube, Photobucket or Box.net with the built-in Vado Central 3.0 software. Absolutely no need for any additional cables!

### **Vado Central 3.0**

Enhance your Vado experience with the Vado Central 3.0! The software allows you to playback, edit and take snapshots of your video easily! What's more, you can now upload your favorite Vado videos to popular social media and video-sharing sites such as Facebook, YouTube, Box.net and KinKast in one simple step!
