HD VIDEO CALLS MADE EASY

Simply plug in Live! Cam Chat HD to add HD 720p video to your online chats* – no software installation required! Download the free Live! Central 3 Lite software to record HD 720p videos and snap 5.7 MP photos, and share them in a single click on popular social media websites such as YouTube and Facebook. Videos are captured at up to 30 frames per second, providing smooth, highquality playback on your computer. Plus you can also enjoy significantly clearer voice chat by using the built-in noise-canceling microphone that eliminates background noise.
